**7. Troop Trailer Needs & Fundraising**

- Troop trailer frame is rusting badly and if not repairable should be replaced.
- Replacing existing trailer for exact size and type would be approximately \$4,700. Larger trailers with multi-axles can run upwards of \$6,800+.
- Trailer is also due for re-registering within the next several months and most likely Maine registration will need to be replaced with MA registration.
- Would church allow current trailer to be fixed on site as a storage shed which would possible allow us not to need a larger trailer.
- Fundraising ideas:

- Christmas Wreathes. Does this conflict with any other Troop?
- Would a raffle ticket sale be possible? Something like selling 100 tickets for \$100 each with 1<sup>st</sup> prize \$3,000, 2<sup>nd</sup> prize \$1,000, 3<sup>rd</sup> prize \$500 yielding \$5,500. Maybe 125 tickets or more tickets at a lower cost?
- Other ideas??
