## **SERVICE PROJECTS**

- **PULL TABS** - Cub Scout Pack and Boy Scout Troop 121 are collecting **aluminum** pull-tabs from all types of beverage and food cans to help the Shriners and the Shriners Hospitals for Children. This community service project is easy to do. Before you put those aluminum cans and lids in the recycling bin remove the tabs and save them in a container of some sort. Bring the tabs to any Pack or Troop meeting and give them to your leader. Once we've collected as many as we can store without having them getting in the way in someone's garage, we will make arrangements to turn them over to the Auburn Rotary Club.
