- 11. Required Adult Training (time sensitive)**
 - All merit badge counselors must re-apply.

- ❑ All leaders should go to the training section of their my.scouting.org account and complete those training sessions. Most are on-line but per council:

“The only training that is required to be completed in person is Introduction to Outdoor Leadership Skills (IOLS) which is needed for Scoutmasters and Assistant Scoutmaster positions. The Heart of New England is offering courses this fall, as are neighboring councils. Training is training no matter where you take it! If your troop has key leadership needing this training and is not able to complete it this fall, please contact your District Executive. If all training attempts for this course cannot be completed by the end of the year, an exemption may be available with the agreement to take the course in the spring of 2024. As all other courses are available online, IOLS is the only exception to the mandatory training requirement.

Youth Protection Training (YPT) (training code: Y1) - This training is required every year as part of the rechartering process.

Hazardous Weather Training (training code: SCO_800) is included as part of Scoutmaster/Assistant Specific Training, but like YPT it **must be retaken every year** to maintain a leader’s trained status.

Introduction to Outdoor Leadership Skills (IOLS) (training code: S11) - a 16-hour two-day course with a required overnight camping component. This course can only be administered by approved facilitators with the council training committee.

Scoutmaster/Assistant Specific Training - This course can be taken in-person (training code: S24), or it can be taken on-line at my.scouting.org. When taking the course on-line it is broken down into four modules.”
