We are asking each Scout (or parent) to make some choices about this event.

1. The first choice is whether the scout will be attending this event?
2. The second choice will be which session works best for them, session 1, 2, 3 or 4? Based on the responses the Troop will register for the session that receives the most votes.
3. The third choice will be does the scout want to camp out for this event? The troop will camp one night, two nights or NO nights depending on the responses we get.

There will a sign-up sheet on the Troop website linked to this event where scouts or parents can log in their choices for this event. We need to have all responses in by Sunday, October 6th at the latest so we can sign up as quickly as possible on October 7th.
